

**CAMP BLUE RIDGE****PASTOR/TEACHER GETAWAY**

Potomac Conference pastors and teachers are entitled to one complimentary 2-night stay per year. These reservations must be made in advance and the proper application form must be completed and submitted to the CBR office. Reservations will be confirmed only if there is no conflict with a group rental. Holidays are typically booked.

Meals are not included in the two-night package. However, if food service is being provided for a group that is using the camp, meals may be purchased if arrangements are made in advance. Please speak with the Reservations Receptionist if this is something you are interested in.
