The Potomac Conference takes very serious any type of sexual abuse and violence against minors in the church setting. For this reason we have launched a Protection

Effective Followership Through Servant Leadership

**Presenter: Dr. Bill Miller,
President, Potomac Conference**

Much is spoken today of leadership; but what about followership? Jesus never calls his disciples to lead him. In every case Jesus calls them to "follow Me."

The heart of the gospel is about followership, not western leadership.

The core of being a disciple of Jesus is about being a follower of Jesus. This seminar will look at practical steps through the eyes of scripture on how we are to be followers of Jesus in order to be effective "servant leaders" in the local church.

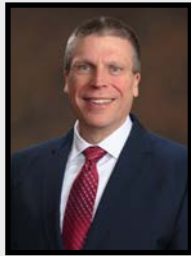

Taking Care of Yourself is Not Selfish

emotionally
and
relationally.

Rick Jordan will share his losing 130 pounds through diet and exercise and lessons he's learned on his health journey.

Invisible Wounds: Learning About Emotional Abuse

Presenter: Pastor Junnie Pagunsan

Abuse can take many forms, dehumanizing regardless of sex, race, or age.

While the effects of physical and sexual abuse are readily visible, perhaps the most insidious is emotional abuse. Those scars are unseen, but lasting, resulting in shame and low esteem. This seminar will help raise awareness of this

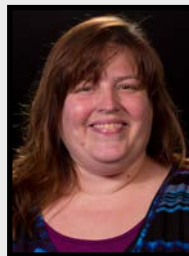

important issue and help our churches to be safe places for victims.

It's Not About You
