5		
6		
7		

Directions

Churches are only allowed to sell the food items listed above and confirmed by the PCAYM* advisory in order to avoid duplication. Churches that have not been confirmed must refrain from selling duplicate items sold by other churches. Churches that have not completed the Food Station Registration Form will not be allowed to sell. Please remember the Seventh-day Adventist vegetarian health principles when selecting food items to sell. Any questions or concerns please feel free to contact us at (240) 417-9988 or youth@pcsda.org

Guidelines

1. Maintain the same price for the items throughout the entire day or duration of the event.
2. All food items sold must be **100% Vegetarian both in preparation and in product.**
 3. All must use good food service techniques by wearing gloves and hair nets as well as practicing good hand washing and sanitation techniques. **Water may not be available** so churches are encouraged to bring their own.
 4. All churches are responsible for providing trash cans, bags, and picking up litter in general as well as around their food station area. All must leave the location around their food station clean.
 5. If churches choose to use charcoal to cook food items, they are responsible for its disposal. Coals cannot be left on the ground so the churches must bring a metal container to cool and properly dispose of the charcoal as well as an off the ground grill.
 6. Churches must check "In and Out" with the food station designated PCAYM* coordinator before setting up or leaving their area.
7. **Provide food/drinks for the PCAYM Coordinators and volunteers that are helping to run the event. PCAYM Coordinators and volunteers will have a staff identification and a ticket in order to receive food/drinks.**

Please send this registra(on form to:

Potomac Conference of Seventh-day Adven)st
A"n: Youth Department
606 Greenville Ave
Staunton, VA 24401
