

“COME AND YOU WILL SEE” – JESUS

When Jesus returned to the Jordan River from the wilderness, Andrew and John asked, “Rabbi, where are you staying?” Jesus said “Come and you will see!” This will be the theme of this incredible journey into the world that Jesus knew. Drawing from his vast experience in the land, Tony will take you to places most people have not even heard about.

From Dan to Beersheba, you will experience the Biblical World and your reading of the gospels will never be the same.

Tony has prepared a special syllabus to help you remember where you have been and what you have seen. To prepare for this journey, view the 28-part series “Tracing the Footsteps of Jesus.” The tour will be updated daily for family and friends at www.BWTours.net.
